FIELD TRIP AUTHORIZATION

Puddletown School

This form is valid for one year from September 2020 – September 2021.

From time to time your child has the opportunity to go on either impromptu or planned school-sponsored walking field trips. Please complete this consent form authorizing your child's attendance on these outings. We request that you specifically advise us of any special requirements that you may have in connection with the transportation of your child. Adult to child ratios range from 1:4 to 1:6, depending on the trip.

Walking field trips are outings which take us away from the building on foot. The above ratios are always adhered to. The destination, route, and schedule of each trip is noted on the bulletin board and on the outside entrance before we leave the building.

Please complete and sign below to signify your recognition and acknowledgement of the above and return this form:
